With respect to Mr. Sourcine's inquiry for a recent article or areach by Elizabeth Curley Flynn, I provided him with an FRIS item and told him that Mrs. Flynn's article which appeared in TASS is being translated. I told him we would be happy to provide a copy when the translation is completed.

Mr. Secretice asked for such information as we might be in a position to provide the Jube conmittee on the whereabouts and activities of Ludwig Rajehman since 1752. Sourwise described this individual as a representative of UNICEF who left this country and allegadly has returned.
